

FREELANDER

2018 DISTRICT ONE CHARDONNAY

TASTING NOTES

The 2018 California vintage shows good acidity and provides a nice balance with ripe pineapple, pear, and passion fruit flavors. Just a hint of vanilla spice oak ends in a finish that's clean and pure.

WINE SUMMARY

Appellation: California
Aging: French & American Oak
Release Date: January 2020
Contents: 750 mL

FREELANDER BACKGROUND

Freelander wines have been made in Napa Valley, CA since our founding. Our fruit comes from select vineyards that produce elegant and impressive wines. We believe that decades of top winemaking experience allows us to create some of the best value wines at this price point. Taste the value of Freelander yourself and see if you agree.

THE 2018 HARVEST

The 2018 harvest was large and bountiful. Moderate heat through the summer months led to even ripening in the vineyard. There was ample time to pick a somewhat late harvest by historical standards. The large volume was complemented by terrific quality and the winemaking staff had plenty of time in the winery to balance production with harvest.
